Budget and Finances

Financial Review*
The Humanities Center seeks to make grants to nongovernmental organizations that are financially stable enough to carry out the purpose of the grant. Before awarding a grant of over
$25,000 to a nongovernmental organization, staff need to assess a recent financial statement from the organization. Please indicate which of the following documents you are submitting for review:

**Choices**
Most recent certified financial audit (Org income over $750,000)
Most recent IRS Form 990 (Org income $50,000 or more and less than $750,000)
Most recent board-reviewed financial statements (Org income under $50,000 and/or no IRS Form 990)

**Financial Statement Upload**
Please upload the financial statement you selected above.

*File Size Limit: 5 MB*

**Grant Payments**
It is the Humanities Center’s policy to issue grant payments in a manner that supports the successful completion of activities outlined in the approved grant proposal. Reimbursement is the preferred method of payment for Humanities Center grants. Grant payments may be made as advance payment of costs associated with a grant before the grantee has incurred the expense if the financial review and past grant performance support this method.

Please indicate which payment method you prefer:

**Choices**
Advanced payment
Reimbursed payment

**Project Budget**
Please include a project budget that lists project income and expenses. The Humanities Center highly recommends that your budget line items align with your accounting system to facilitate reporting and financial monitoring during the grant term. Should your budget need any explanation, please include a narrative below.

For any questions on allowable/unallowable expenses, please consult the [Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards 2 CFR Chapter 1, and Chapter II, Parts 200, 215, 220, 225 and 230](#).
