Grant Payments

Minnesota law, as enforced by the Department of Administration, provides the manner in which MHC may issue payments to grantees. Reimbursement is the preferred and default method of payment under state guidelines. Under the Reimbursement model, upon the grantee providing information that expenses have been incurred, MHC will forward funding reimbursement to the grantee.

Grantees may also receive a partial advance under Minnesota law. Under the Advance model, the grantee may receive the following partial advance depending on the amount of the grant:

- If grant is \$10,000 or less, the maximum that can be advanced is 75%
- If the grant is more than \$10,000 but less than \$50,000, the maximum that can be advanced is 50%
- If the grant is more than \$50,000, the maximum than can be advanced is 25%

Grantees will not receive any additional funding under their grant until a financial reconciliation has occurred. Advances may only be provided under Minnesota law to Grantees who do not have a history of late reports, poor performance, or financial risk.
Upon completion of a grant, MHC conducts a financial review of the expenses incurred by the grantee. Minnesota law requires MHC to conduct a more in-depth financial review of the expenses of grantees that obtain an advance.
Complete the following section ONLY if you wish to pursue obtaining an advance.
Please identify the amount of advance funding that you wish to request and provide a brief explanation as to the need for the advanced payment. As there is no guarantee that you will be eligible to receive an advance, please also indicate in your request whether you will be able to pursue the project if you are denied an advance.
